Saturday 14 May – The Flintham Flower 100 - split into 4 x 25 mile ‘petals.’ Philippe is hosting this event from his home in Shelton. After discussion, it was agreed for riders to bring their own snacks & drinks for during the day and bring food & drink for a BBQ at the end of the day. The committee will provide bread rolls, ketchup etc. Please contact the committee if you have a gazebo we could borrow. A charity donation of £5.00 per rider has been suggested, which will go to the Ukraine appeal. More details to follow.

UPDATED WELCOME LETTER

Various parts of the letter were discussed and updated where necessary. Once it’s been finalised, it will be sent out to the newer members.

CLUB WEBSITE

The committee discussed the posting of information on the FB Network page and website so that it's easy to view, whichever you prefer to use.

i.e. if a ride report is posted to FB first, it can be copied and pasted to the club website:

Copy, once on the club website select VCF Chatter, Ride Reports, Create New Post & paste.

Alternatively, if a ride report is posted to the website first: type it in Ride Reports (within VCF Chatter), copy the text & paste it to the VCF Network page.

ANY OTHER BUSINESS

- Buying new club flags was agreed. EM will look into purchasing a couple as we only have one at present.
- Buying bike boxes to rent out to members was discussed. A decision was made not to buy any due to the issue of storage and as member David Brewer of Newark Cycles has bike carriers he could rent out to club members.
- Buying STRAVA premium club membership. All agreed to purchase this for the use of ride leaders. EM to look into this.

NEXT COMMITTEE MEETING
